REPORT OF THE LIBRARIAN

Circulation for 1967	
Adult Fiction	2,001
Adult Non-fiction	2,235
Juvenile Fiction	3,210
Juvenile Non-fiction	1,168
Total	8,614

A thorough weeding of the library book collection was undertaken during 1967 under the direction of Mrs. Rachel Sanborn, District Consultant of the New Hampshire State Library. Members of the Friends of the Library donated many hours in helping with this project. A total of 550 books were removed from the shelves which has improved the appearance of the collection and given some much needed shelf space for new books. Some of the books that were removed from the shelves because of poor condition will be replaced with new editions as soon as funds are available.

The installation of running water and toilet facilities was made possible by the vote for the special appropriation for this purpose at the 1967 town meeting. The work was completed during the month of April and has proved most satisfactory.

The library received another grant-in-aid of $100.00 from the State Library for the year 1967. The books have been ordered but have not as yet been received.

The Friends of the Library purchased a book cart for use in the library this year. They have also given money for the purchase of books, subscribed to the Abridged Reader's Guide and Horn Book Magazine and donated many hours in library service. Mrs. Harold Y. Smith is chairman of the Friends group.

150 books were added to the library collection during 1967. Of these, 52 were gift books. Some of the 1967 funds were held over until after the weeding project was

completed so that it would be possible to fill some of the subject gaps in the collection. These books were not received until 1968. Thomas Powers gave the library many children's books all of which have not as yet been processed for circulation.

Several of the members of Boy Scout Troop No. 189 have given community service by helping with projects at the library. The Happy Hours 4-H Club has helped by placing interesting exhibits in the library.

The librarian wishes to thank all of the many people who have shown an interest in the library by donating either service or books.

Librarian

REPORT OF PLANNING BOARD

During the past year the planning board has met to consider new legislation and to deal with a plan for a subdivision. It was gratifying to the board to be able to deal with the situation in a legal and business-like manner and the planning board made every effort to rule in the best interest of the town. The planning board, with the cooperation of the selectmen have seen fit to offer the following amendments and additions to the zoning and land use ordinance adopted May 12, 1959.

Amend Article 1, Section B, second paragraph, by deleting said second paragraph starting with the words "Any Trailer or mobile home" and ending with the words "parks are prohibited", and substituting therefor the following:

" No person shall move a house trailer or mobile home into the Town of Kensington without first having obtained a permit to do so from the Selectmen. Any house trailer or mobile home so moved into the Town and used as a dwelling shall be considered a residence for all purposes under these zoning laws, including lot size, set back requirements, etc. So-called trailer parks and mobile home parks are prohibited. These regulations shall not be construed to prohibit residents from storing on their premises unocupied vacation type trailers or so-called camper bodies owned by them and used for bona fide vacation purposes. Trailers used for field office or storage in conjunction with construction projects, which meet acceptable sanitary standards, may be permitted by the Selectmen for periods of sixty (60) days, subject to renewal as required."

Amend Article III by deleting said Article and substituting therefor the following:

Every building lot shall have a minimum frontage of one hundred fifty (150) feet abutting upon a public street or road".

Amend Article VI by deleting said Article and substituting therefor the following:

"Article VI - The written approval of the Selectmen, stating that the stipulations of this ordinance have been met, must be obtained before construction of any building. Add a new Article as follows:

"Article - The opening of a new pit for the removal of clay, sod, loam, sand or gravel requires a written permit from the Selectmen. Granting of the permit will be contingent upon an undertaking that when the supply is depleted, the area will be re-graded, re-loamed, re-sanded or otherwise re-covered to insure that the premises will be left in sightly condition and protected against erosion.

In the coming year the board will compile a new citizen handbook. The new book will have a complete listing of all the legislation pertaining to our present zoning and land ordinances and subdivision control.

Respectfully submitted,

Gordon Swift, Chairman
Robert Wadleigh
Charles Bickford
Edward Wilbur
Donald Upton
Richard Brinckerhoff
John York, Selectman

BOARD OF APPEALS REPORT

During 1967 the Kensington Board of Appeals heard one appeal for a variance to the requirements of the Kensington Zoning Ordinance which was granted unanimously by the Board.

Clerk

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the commonsense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. - 5:00 P.M. and then only with a permit from the Forest Fire Warden.

2. Take all debris and waste to the town dump.

3. Keep a clean, safe town dump.

4. Urge close supervision of children in regard to use of matches.

5. Exercise care with smoking material - use the ashtray.

FIRE CHIEF'S REPORT

During 1967 the Fire Department answered 25 alarms as follows:

Grass and Brush	9
Vehicles	6
Chimney	1
Dwellings	6
Other Buildings	1
Mutual Aid	2

Total value of property lost due to fires was $18,000.00

During 1967 the Fire Department bought over $3,000.00 worth of new equipment (hose, fittings, radio and etc.) and the town placed an order with American LaFrance for a new Fire Truck which was delivered the first week in January of 1968.

Officers of the Kensington Police Department: Donald Costello, Paul Steeves and William Simon.

I would like to express my appreciation for the co-operation the department has received from the Kensington Board of Selectmen, Rockingham County Sheriff's Department, New Hampshire State Police, Motor Vehicle Department and the citizens of the Town of Kensington.

I also wish to report the active members of the Police Department have completed the Prescribed Course of training at the Rockingham County Police Training Academy.

Respectfully submitted,

Robert S. Kuegel, Chief

RECREATION COMMISSION REPORT

The town of Kensington, by application of the Recreation Commission, has been granted matching funds allocated to the State of New Hampshire through the Federal Land and Water Conservation Act. The town had appropriated $500.00 for the purpose of developing a recreational area in the land purchased by the town in 1964. We are again asking for $500.00 in the warrant which will be matched by the state in our projected plan for development of this land for recreational purposes.

Lumber has been cut and work will commence on clearing the area as soon as weather permits.

The 4H boys have make and contributed 2 picnic tables, and it is hoped that other organizations will help to make the development of this area truly a town effort.

Respectfully submitted,

Warren Sargent, Chairman
Joan Engel
Charles A. Bickford
Gloria Chase
Doris Swift

ANNUAL REPORT

OF

Officers of the School District

OF THE

TOWN OF KENSINGTON, N. H.

For the Year Beginning July 1, 1966

and Ending June 30, 1967

RECORD OF SCHOOL DISTRICT MEETING
March 11, 1967

The Annual School District Meeting was called to order by the Moderator, Horace M. Gourley at 7:38 p.m. on March 11, 1967 at the town hall. The warrant was read by the moderator. Rev. Roland D. Sawyer offered an appropriate prayer which was followed by the salute to the flag. The reading of the record of the 1966 School District Meeting by the clerk was dispensed with as they were printed in the town report.

Article 1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the School District.

Dr. John Tuthill moved that the salaries of District Officials remain the same with the exception of auditor which should be raised from $8.00 to $15.00 and the census taker to be raised from $25.00 to $40.00. The motion was seconded by Leslie C. Briggs. It was so voted.

Article 2. To hear the reports of Agents, Auditors, Committees, or officers heretofor chosen, and pass any vote relating thereto.

Dr. John Tuthill reported on the progress of the new AREA Junior High School. He also reported on the proposed curriculum and answered questions on the subject of the new Junior High School.

Article 3. To choose Agents, and/or Committees, in relation to any subject embraced in this warrant.

It was moved and so voted that we pass over this article.

Article 4. To see what sum of money the District will vote to raise and appropriate for the support of the schools, for the payment of salaries of School District officials and agents and for the statutory obligations of the District.

It was moved by Gordon Swift that the town raise and appropriate the sum of $120,775.00 for the support of schools for the coming year. The motion was seconded by Gerald Easson. Doris Bickford offered an amendment to the motion to add the words "less state and federal aid which may be received." The amendment lost but the main motion was carried.

Article 5. To see if the District will raise and appropriate the sum of $1,200 for the purpose of erecting a wall in the present third grade room of the Elementary School in order that said classroom may be permanently separated from the corridor.

Clark Jacobs moved and Nora Tuthill seconded the motion that we adopt the article and raise and appropriate the sum of $1,200 for the purpose of erecting a wall in the present third grade room. There was discussion by Philip McKnight. Dr. Tuthill and Leslie C. Briggs. The vote was in the affirmative.

Article 6. To see if the District will raise and appropriate a sum not exceeding $2,147.50 for the installation of fire alarm equipment to operate automatically, actuating internal alarm horns and the fire siren at fire headquarters.

Alfred Felch moved that we adopt article 6. The motion was seconded by Mildred Sargent. Discussion by Dr. Tuthill, Leslie C. Briggs and John Henry. The vote was in the affirmative.

Article 7. To transact any other business that may legally come before this meeting.

Nora Tuthill suggested that maybe another night besides a Saturday night be considered for the annual school meeting.

Harold Bodwell, Jr. moved and John Henry seconded the motion that the meeting be adjourned. It was so voted. The moderator declared the meeting adjourned at 9:00 P.M.

Respectfully submitted,

Lucy C. Blodgett
School District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Kensington, New Hampshire:

It is with mixed emotions that I submit my twentieth and last annual report as Superintendent of Schools.

I take this opportunity to express my sincere thanks to the members of the school board, past and present, teachers, supervisors, members of the Parent-Teacher Association and to the citizens for the support given to me during this period of years. I shall always follow with interest the progress of the schools with which I have been so closely associated. There is evidence to show that by working together we have been successful in obtaining better school facilities and con tinually improving the program of studies and curriculum for the boys and girls of this community.

The school year 1967 -1968 began with the following staff:

Elizabeth Lambert, Principal, Grade 1
Mrs. Kay Cole, Grade 2
Joanna Irvine, Grade 3
Mrs. Carol Graves, Grade 4
Mrs. Priscilla Paul, Grade 5
Mrs. Esther Prescott, Grade 6
Mrs. Eleanor Henry, Music
Mrs. Regenia Matthews, Art
Mrs. Virginia Holder, Nurse
Mr. Harold Matava, Handwriting

Mrs. Kay Cole replaced Mrs. Alfreda Gallo as teacher of Grade 2 in the only teaching change.

The enrollment as of December 22 was as follows:

Grade 1	18	Grade 4	29
Grade 2	26	Grade 5	24
Grade 3	30	Grade 6	32

This is a total of 159 as compared to 147 on a corresponding date a year ago.

The tuition rates for 1968 - 1969 as approved by the State Department of Education and announced by the Exeter School Board are:

Estimated Per Pupil Cost for 1967 - 1968	
Senior High Students	$ 606.62
Rental Charge	28.38
	$ 635.00
Estimated Per Pupil Cost for 1967 - 1968	
Junior High Students	518.23
Rental Charge	46.77
	$ 565.00

These estimated per pupil costs for 1967 - 1968 compare with the state average per pupil costs of $637 for high school and $549 for junior high school exclusive of rental charges.

The AREA Junior High School was opened to six hundred and thirty pupils on schedule on September 6. This is a very attractive and functional building and provides the students with a broadened curriculum. This building has made it possible to implement fully the AREA School Plan for six school districts involved for grades 7 - 12.

The amounts of State Aid received by the Kensington School District for the last two years are listed:

	State Foundation Aid	Sweepstakes	Building Aid
1966-1967	$13,077.77	$3,270.10	$1,540.51
1967-1968	$16,874.85	1,908.25	1,540.51

Mr. Frederick King, Teacher Consulatnt for Supervisory Union #16, describes some of the work which he is doing as elementary school supervisor and director of curriculum as follows:

As a teacher consultant I must assume a leadership role in the process of curriculum development, curriculum

balance, articulation between grades, divisional levels and communities, and intergration among the various subject matter areas.

If I were to list a group of action words to describe the consultant's tasks, I would say they might include encourage, stimulate, support, facilitate, guide, influence, suggest, quest ion, challenge, demonstrate, coordinate and lead as I work with teachers.

Last fall at the opening school meeting as teachers gathered for the beginning of a new year I called for new aspects in learning that would bring about a vitality so much needed to successful classroom teaching.

We know, with considerable certainty, that the world of today's children will see new and changing patterns of social organization. One of my main tasks is to join with teachers in examining possible changes and to take a leadership role in channeling these changes into educationally sound procedure.

The school holds a key position in the survival of our nation. A number of projects and pressures are appearing at various levels. The role of the teacher consultant as a curriculum leader takes on new importance as one sees the "flood " of ideas from the "outside". An examination of the new is essential, but at the same time we must strive for effective utilization of the already proven materials and media.

This fall a new social studies guide was placed in the hands of our teachers. It is now being used as a guide for social studies instruction. It is not final . We will continue to discuss and examine it through teacher meetings and discussion. The classroom will be the true test of the guide's ability to bring about a "new life" to social studies . This is but one example of curriculum study.

The teacher consultant is concerned with the learner and the process of learning. We want children to be actively involved in their education. We need to be more concerned about the development of human beings capable of creative thoughts and action.

We can build wonderful schools, and provide a multitude of materials, but the teacher's job of helping the child see what is the full meaning of attaining skills and knowledges will be the key to the future of our nation. The teacher consultant joins with the classroom teacher in a "partnership" for better education. If I, as a consultant, can communicate with teachers the observations, understandings, perceptions, enthusiasms, and beliefs which I feel and we share together these concerns for better schools, then I have no doubt, but a a more effective education will be realized. I will continue to serve this community with this philosophy.

I trust I have in this report pointed out to you, as citizens, a kind of philosophy or spirit that prevails as I work with the staff . It is not an item by item account of what was done this past year, but rather a communication to you of an attitude and commitment I have in continuing to develop a better school program.

I call your attention to the reports and tables which follow.

Respectfully submitted,

Raymond A. Hoyt
January 22,1968 Superintendent of Schools

REPORT OF SCHOOL HEALTH SERVICES

To The Superintendent of Schools:

School Health Services cover a wide field and are designed to include all that affects the well being of school children. This year physical examinations were offered to all Grade 5 children, new admissions who had not had an examination in the previous year, plus those children with conditions warranting the opinion of a physician, who would otherwise be unlikely to receive professional attention.

Vision screening was carried out by volunteer mothers trained by the school nurse - a service of inestimable value, conscientiously performed. Screening for hearing loss is done by the school nurse on children in Grades 1 - 3 and 6, new students entering the school and upon any child with symptoms of possible hearing loss referred to the nurse.

Tuberculin testing was done on children of Grade I, and Staff members, in September. We shall, in cooperation with the N.H. Tbc. Association, continue this valuable diagnostic screening program each year and will include all allowed by the sponsoring Association.

Special emphasis on dental health has been evidenced by demonstrations, clinics and dental health education. In the summer of 1968, we hope to benefit from a new State sponsored program offering free dental examination, cleaning, and topical application of fluoride to all pre-school children, ages 3 to 6 years. Parents are encouraged to take advantage of this opportunity for their pre-school children. We shall continue to have our Lazy-eye clinic for the early detection of Amblyopia in children of ages 3½ to 6 years.

Pre school clinic held on Registration Day is the best way we know of determining whether a child is physically and emotionally ready for Grade I. A registered state dental hygienist is to be present at this time to examine the child's teeth and consult with the parent. Opportunity to have your child brought up to date by our school physician on his im-

munizations will be available.

Through education only, can we expect returns from our efforts to establish good understanding and practises of health, hygiene, and safety. Special speakers, new filmstrips, films, and other aids to enrich the health education curriculum are available - ideally for use in conjunction with special class units at a time when material will be most meaningful to the students.

Parents are welcome to visit the health office for conference when there is a health related interest which you may wish to discuss.

This report would not be complete without special mention of a new Volunteer service in the Kensington school this year - and commendation for those who have contributed a great deal of time and effort in carrying out the program. Children who need strengthening in certain areas - scholastically or emotionally, are being seen individually by Volunteer mothers who, under the direction of the teacher and guidance of the school physician, aid in improving the child's understanding of classroom material and, often, thereby, his own self esteem. We are most grateful to these special people for their time and effort which we know has resulted in a more successful year for the children whom they have helped.

I am sincerely appreciative of the support of the School Board, Superintendent of Schools, Principal Betty Lambert, and all individuals and organizations whose interest has helped to make our health service more effective and far-reaching.

Respectfully submitted,

Virginia D. Holder, R. N.

REPORT OF THE MUSIC SUPERVISOR

To the Superintendent of Schools:

Classroom activities throughout the year included ear-training, rhythms, work with rhythm instruments, tonettes, the auto-harp and the new music chart, learning the fundamentals of music, note reading, singing in unison and in parts, and participating in singing games and folk dancing. A record player and records are available for music appreciation.

In April the operetta "Tom Sawyer and Huckleberry Finn" was presented at the Town Hall by the fifth and sixth grade pupils. Prior to the operetta, it was decided to use any proceeds toward the purchase of a tape recorder. However, a kind and generous friend, knowing of the teachers' wishes, presented the school with a tape recorder so the fund was used to buy recorder tapes and records.o All wish to express their deepest gratitude to the school's benefactor. Thanks are also due Mrs. Prescott and Mrs. Paul for their hard work in helping to make the operetta a success, Mrs. Matthews for using her talent for many hours creating the beautiful but difficult scenery, the mothers who made cos. tumes, and those who did make-up or helped in any way.

The Memorial Day program was presented this year by the first and second grade pupils under the direction of Miss Lambert and Mrs. Gallo. With the growth of the school, it is no longer possible to have all six grades take part so each year two of the grades will take their turn presenting the program.

Christmas programs were given by each of the six grades for other pupils in the school and carol singing was enjoyed by all.

In closing, I wish to thank Mr. Hoyt for his many years of help and understanding, the Kensington School Board, the P.T.A., Miss Lambert, the teachers and the parents for their cooperation throughout the year.

Respectfully submitted,

Eleanor P. Henry

REPORT OF THE ART SUPERVISOR

To the Superintendent of Schools:

Art is an important part of an elementary school program. It helps the child's creative abilities through instruction in the basic principles of Art - form, line, perspective, pictorial composition, anatomy.

There are six classes in the Kensington School, each about 40-45 minutes. Projects cover training and experience in as many media as can conveniently be used in this time - media such as cut paper, crayon, gouache, finger paint, clay, print making and papier mache.

The upper grades have longer, more complicated projects, lasting several weeks, such as papier mache masks and animal figures. They also made the scenery for the operetta "Tom Sawyer".

All the children have grown in the mastery of their media and the ability to express themselves creatively.

In closing I wish to thank all who have helped to make the past year one with so many unusual, vivid and valuable experiences.

Respectfully submitted,

Regenia P. Matthews
